

AUGUST 18TH & 19TH AT THE MELVILLE MARRIOTT

A BLUEPRINT FOR SUCCESS

A CONFERENCE ON COLLABORATION, SOLUTIONS
AND LEADERSHIP FOR STUDENT ACHIEVEMENT

Be Our Guest

Right Reason Technologies cordially invites you to our summer conference.

As financial resources get tighter, schools are looking for ways to do more with less. One means is to reach out to experts outside of the traditional education arena to enhance education opportunities.

August 18th will be a "Kick-Off" Reception from 6 – 8 pm that will frame the vision of the conference while promoting a collaborative mindset. Food, drink and fun will be had by all.

August 19th will be an informative day of discussions and presentations on a variety of education topics focused on student success, kicked off with a keynote by Ray McNulty.

KEYNOTE BY RAY MCNULTY

OF THE INTERNATIONAL CENTER FOR LEADERSHIP IN EDUCATION

Presentation and discussion topics include

- Response to Intervention-Reaching All Students
- APPR – Local Assessments, Evaluation Systems, Supporting Data
- Disruptive Technology and Alternative Education
- Effective PLC's for Data / Inquiry Teams
- Data Practices and Reports for Student Success
- Common Core and Next Steps
- Funding Sources and Budget Optimization
- Blended eLearning Solutions: Meeting the Needs of All Students
